## **Old Business:**

Donations made in December:

\$10,000.00, allocated to the general fund, remains in our account

Going away gift of \$100.00 to Fr. Bijou

Need for new officers—any volunteers or know possibility?

## **New Business:**

**Upcoming project: church basement. Finance council looking at floor options and getting bids. May be as soon as June. The sooner the better as no early summer weddings scheduled and no CCD. How much money can PCCW afford to donate? Need many volunteers for removing everything possible from basement to garage, including appliances, and covering cabinets. Will need volunteers to help with dust cleanup afterward.**

**After floor is complete, the next project will be painting the basement. Will need prep work/repairs before painting commences and volunteers to paint. Paint will be donated or discounted through Andrew Perrson's employer.**

**Eunice Reget's family has requested volunteers to stay with Eunice in the afternoons from 2:30 until 6:00 PM through at least July. Terese Slattery and La Vonne Hundt have been organizing the schedule of volunteers with Eunice's daughter Karen. Please prayerfully consider donating some time and contact Terese or La Vonne. Maybe announce in church or bulletin?**

**Summer picnic date. Activities, volunteers to help clean shelter.**

**Any other business**

**Illnesses**

**Next Meeting: June 2, 2025?**
